Presidents 'Pint of View'

Hi fellas,

Here we are heading into the dog days of summer!

Our yearly golf open has now passed us by and I'm happy to announce that not only did many of our members get the chance to come out and play, we also had a record number of total participants!

I'm also happy to announce that not only did we get to enjoy the golf open as a club we also came out of it with a little profit! Let's keep up the good times and the great fund raising.

I assume most of you are staying busy (like myself) with your personal summer events so I wanted to remind you again of our clubs main summertime events and make sure you have them on your calendar.

We have put together a Bags Tourney to be held at Sully's the end of this month Check with Scott Tilton, or Colt O'Connor for more information.

We have our annual disc golf open coming up on us august 7th and Plans are coming together for our annual bicycle ride September 25th.

I'm excited to see such a fun filled summer lineup after last year's sad cancellations.

Finally, I wanted to send a friendly reminder that with our member list being lower than usual and now that vaccinations are becoming easily accessible this is a good time to get ahold of those gentlemen who have shown interest to come on out and join the club.

I am hoping to see some new members at the next few months meetings.

Cheers to you all!

Your honored president,

Tony "T-bone" Schmid

Dublin's Patrick O'Shea called his lawyer and asked, "Is it true they are suin' dem der cigarette companies for causin' people to git cancer?"

"Yes, Patrick, sure is true," responded the lawyer.

"And now someone is suin' dem fast food restaurants for makin' dem fat an' cloggin' their arteries with all dem der burgers an' fries, is that true?" "Sure is, Patrick."

And that a lady sued McDonald's for millions when she burned her tongue with that hot coffee that she ordered?" "Yep."

"And that a football player sued that university when he graduated and still couldn't read?"

"That's right," said the lawyer. "But why are you asking?"

"Well, I was thinkin' . . .

What I want to know is, can I sue Guinness for all dem ugly women It made me sleep with.

- On a golf tour in Ireland, Tiger Woods drives his BMW into a petrol station in a remote part of the Irish countryside.
The pump attendant obviously knows nothing about golf, greets him in a typical Irish manner completely unaware of who the golfing pro is.
Top of the mornin' to yer, sir" says the attendant.
Tiger nods a quick "hello" and bends forward to pick up the nozzle.
As he does so, two tees fall out of his shirt pocket onto the ground.
"What are dose? asks the attendant.
"They're called tees" replies Tiger.
"Well, what on the god's earth are dey for?" inquires the Irishman. "They're for resting my balls on when I'm driving", says Tiger.
"Fookin Jaysus", says the Irishman, "BMW thinks of everything
