JANUARY (EANAIR) 2023

New Year’s Eve and 2022 are now in our rear-view mirror. Regrets or not, the new year is upon us, and resolutions are being sorted. One resolution that will be easy to keep is to renew your FSOSP dues. The meeting next week would be the perfect time to take care of that with cash or check. See Mr. Soliday at the front table. Another great resolution is to volunteer, we have many plans for 2023 with many committees being formed. The annual bike ride will be moving to an earlier month of the year, Mr. Soliday will be taking on the Bags tourney, and we are planning our first annual car show for September. There is plenty of room for help with these events, if you are a little more traditional then maybe parade volunteering is for you.

COUNTDOWN TO ST. PAT’S

Yes, the news is true, there will be a parade this year!

Our Parade Chairman for life Colton O’Connor is hard at work with plans moving forward both with the city and the Marriott. VOLUNTEERS ARE NEEDED! There are other decisions for the parade and the club that you can help with. The board is still going over lists for Parade Grand Marshal and Irishman of the year. If you have any ideas, please let the board know.

Queen candidates will be interviewed on February 19th 2:00 P.M. at the Mickle Center. Applications are available on the Son’s web site. Queen Elizabeth has set the bar high, but nevertheless look around and help us find a worthy successor.

Parade Raffle tickets will also be available at the January meeting.

Parade Float Meeting dates and times are on the parade application, on the Son’s website.

BOARD NEWS

The Board wants to remind everyone that we have elections coming up in February. Up for nomination are the president, vice-president, and treasurer. As well as 2 board seats. Nominations open at the November meeting, and will continue up through the January meeting. If you or someone you know are interested, please let a board member know.

Mr. Soliday has applied for both the Prairie Meadows grant as well as the Polk County Grant, keep your fingers crossed.

The bike ride is moving to a June, early July date, so the committee will start meeting soon to prepare for this. If you are interested in helping out with this please see Jeff DeMoss.

The club also has some other plans for fund raising and events that will be discussed at the January meeting.

FRIENDLY SONS OF ST. PATRICK
OF CENTRAL IOWA

Presidents 'Pint of View'

Happy holidays gentlemen,
We're rounding the corner of 2022 and getting ready to roll into 2023.
After the last couple years, I am filled with hope and excitement of good things to come for our club!

For one example, excitement about our membership reminds me that it is the perfect time of year to think about all those family and friends that may have been interested in joining, supporting or participating in the great things the Friendly Sons of St. Patrick do, but may have put it on the back burner temporarily.

Now is perfect to reach out to them and let them know that this is the best time of year to start a new tradition, enjoy all 12 months of membership AND that we are always on the search for some new blood in our group (no matter how thin their blood may be due to a few nips from a bottle!).

Another example is hope.

A new year makes me hope that it is a good time to think about all the faces of members that you haven't seen attending for a while and send them a little reminder to think of the FSOSP this season, pay their yearly dues and come enjoy a monthly meeting or event again.

We all know we have some new members that have come and gone or don't get as excited about the club as the rest of us and I understand that, BUT I am going to make it a personal goal of mine to at least try and introduce (and reintroduce to past members) as many gentlemen to our club as I can this year and I hope you will join me and try to do the same.

CHEERS! 🍀

Your honored President,
Tony "T-bone" Schmid

- A Kerryman and an American were sitting at the Shannon Airport.

"I've come to meet me brother", said the Kerryman, "he's due to fly in from America in an hour's time. It's his first trip home in forty years."

"Will you be able to recognize him?" asked the American.

"I'm sure I won't", said the Kerryman, "after all these years."

"I wonder if he will recognize you?" said the American.

"Of course, he will". Said the Kerryman, "sure I haven't been away at all."

"Don't worry about it Dr. Kelley, I'll come back when you're sober."

- The American had been fishing for two weeks at Ballinahinch without getting a bite. On the last day of his vacation, he caught a small salmon.

"Turlough," he said to his gillie as the fish was gaffed, "that salmon cost me five hundred dollars."

"Well now sir," comforted Turlough, "aren't you the lucky man you didn't catch two."
